Notice of Discontinuance of Your *Home Phone* Telephone Service by Unity Telecom, LLC

Dear Customer:

Unity Telecom, LLC ("Unity Telecom") regrets to inform you that it is preparing to cease providing its *Home Phone* prepaid local and long distance service to customers in a significant part of its service area.¹ **In order to avoid a disruption in telephone service, you must make arrangements for new service before the cut-off date noted below. You may choose any local telephone service company that operates in your area.** Unity Telecom would be pleased to continue to serve you with one of our other telephone plans. Please call us at 855-864-8983 for more information. Alternatively, the names and telephone numbers of other local telephone service companies, which also typically provide long distance service, are listed in your telephone directory. Customer service representatives at these companies will help you to select services to most effectively replace your current Unity Telecom service. If you arrange for service with a new provider before your Unity Telecom *Home Phone* service is terminated and wish to keep your current telephone number(s), please be sure to address this with your new service provider.²

Subject to regulatory approvals, your service cut-off date is May 31, 2013. If you do not arrange to have your telephone service provided by a new telephone company (or change to a different Unity Telecom service plan) prior to May 31, 2013, you may lose telephone service (which means that you will be unable to make local calls including 911) and you may not be able to keep your current telephone number(s) with a new service provider. Effective with this notice, Unity Telecom will no longer make any changes to or reconnect existing *Home Phone* service and will not accept orders for new *Home Phone* service.

¹ The Company is revising its business plan and continued provision of *Home Phone* service in a number of states is no longer feasible. This discontinuance affects customers for Unity Telecom's *Home Phone* service plans in AL, AR, AZ, CA, DE, FL, GA, IN, KY, LA, MA, MD, MI, MO, NC, NJ, NV, NY, OK, PA, SC, TN, TX, VA, WV.

² Please be aware that Unity Telecom will not charge any switching fees in connection with your transition to a new provider.

The Federal Communications Commission requires us to provide you with the following notice in connection with its review of the proposed discontinuance:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Unity Telecom, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

We thank you for being a Unity Telecom *Home Phone* customer and wish you well with your new provider. Should you have any questions or be interested in discussing other Unity Telecom service offerings, please contact Unity Telecom at 855-864-8983.

Sincerely,

Unity Telecom, LLC
1330 Capital Parkway
Carrollton, TX 75006

Note: State law in various jurisdictions requires that we clarify the timing for return of deposits in connection with this discontinuance; however, Unity Telecom does not collect deposits from its customers.
